Training Course Program :

Personnel Preparing Lithium Batteries and Sodium Ion Batteries

🎯 Course Objective

This course is developed in accordance with the ICAO Competency-Based Training and Assessment (CBTA) framework and is intended for personnel responsible for preparing Lithium Batteries and Sodium Ion Batteries.

Prior to performing any related tasks, such personnel must undergo appropriate training and assessment to demonstrate the required competencies. This ensures full compliance with all applicable regulatory requirements and operational standards.

👤 Who Should Attend

- Shippers and Exporters of Batteries or Products containing Batteries who are responsible for preparing and declaring such items for air transport.
- Cargo agents, consolidators, and freight forwarders acting as shippers, responsible for preparing and declaring consignments containing Batteries in accordance with air transport regulations.
- Employees of the operator tasked with the preparation and declaration of COMAT consignments involving Batteries, in accordance with applicable air transport regulations.

📖 Course Contents

- Legal Compliance: Understanding the integration of ICAO Technical Instructions and IATA DGR into Thailand's national legislation (CAAT Air Navigation Act) to ensure all shipments meet mandatory safety standards.
- Definition of DG, Basic of the Regulations, Training provision/ Applicability and scope, Hazard & Risk
- Forbidden & Hidden DG, Passenger Provision
- Roles & Responsibilities, State and Operator Variations
- Classification & Identification of Batteries
- Packing & Packaging Specification Test
- Marking & Labeling , Documentation

🧩 Course Format

- Duration: 3 days of classroom learning.
- Delivered by certified DG instructors (Thai speaking).
- Classroom instructor-led training featuring interactive lectures.
- Final theoretical assessment.
- The most current IATA Dangerous Goods Regulations manual will be provided for the duration of the course.

🎓 Certification

Participants scoring $\geq 80\%$ will receive the Certificate of Completion. Those achieving $\geq 90\%$ will receive a Certificate of Distinction.
